APPROVAL OF AGENDA

1. Speaker Hensley makes a motion to approve the agenda
2. Clerk Corpuz seconded
3. Clerk Corpuz makes a motion to remove SB55012

4. Clerk Corpuz states
 - a. So I am making a motion to kill this resolution on the basis that it is a now a useless resolution for this semester. Before the semester ended, I talked with our student advisors, who stated that they will limit the hours for all paid positions in SGA to ten hours. As a point of clarification, this piece of legislation was a poor attempt from former Senator Yuen to produce something before he graduated. It was not brought up to anyone besides me in a brief conversation with him, in which I stated I was willing to work on it with him if he took the time and effort to format it and bring it up to the R&P committee. Going forward, I would like to see a level of professionalism from all senators that shows the importance of SGA and does not look like it was written up the hour before a meeting.
5. Deputy Speaker English states
 - a. Another point to this is the points covered are now covered in the HR policy referenced in our current bylaws and Constitution. The problem addressed that it was supposed to solve has been solved.
6. The motion passes and SR55032 has been struck from the agenda.
7. Sergeant-At-Arms Bereolos makes a motion to move items A through D from new business to old business
8. Clerk Corpuz seconded
9. The motion passes and new business item a through D is added into old business.
10. There is no more discussion or debate
11. The vote passes and the agenda is approved.

SPEAKER REPORT

1. Speaker Hensley states
 - a. I hope your break has gone well. Manny and I have worked on some legislation over break. We have more legislation that is not coming up today that is coming up in following weeks. If you have concerns about that, please let us know before we finish that.

OFFICE OF THE SPEAKER REPORT

A. Deputy Speaker's Report

1. Deputy Speaker English states

- a. Hello, I went to faculty senate the other day and there is a general education survey that is going around in an email today that has the agenda. There will be a link in that email for that survey that is going to the newly approved university goals. Just before winter break, the board of trustees approved the university goals from the president. It would be a good idea to look over that just to make sure it makes sense for us. Finally, the faculty Senate is looking for a student member from SGA that's able to attend and support the professional staff council HR meetings every second Thursday of the month from 10:00 AM to noon. It is a hybrid setting and you can meet on Teams if you need to do that. Otherwise it will be here in the Sky Room. From the faculty Senate meeting, there is also an award so if you know any professors that are known for being constructive you have to send a letter to the current faculty Senate President or if you send it to me, I can send it over. If you have any other questions feel free to reach out to me.

OLD BUSINESS

- A. SR55025
 - a. Sergeant-At-Arms Bereolos motions to hear SR55025
 - b. Senator Guererro seconds
 - c. Senator Rosales states
 - i. I know we have had this since last semester. This is opening ceremony is similar to the pledge of allegiance. This is adding a flag and this is making us more professional. This is also adding a closing ceremony similar to the opening ceremony.
 - d. Speaker Hensley makes a point of information
 - e. Speaker Hensley states
 - i. It would be smart if you guys include what the opening ceremony was and what the closing ceremony is. If you guys want to do that I would suggest tabling until next week
 - f. Clerk Corpuz states
 - i. So let me get this straight, you guys want to have an opening and closing ceremony but you don't have anything for the closing ceremony.
 - g. Clerk Corpuz makes a motion to table SR55025
 - h. Sergeant-At-Arms Bereolos seconded
 - i. Deputy Speaker English states

- i. I actually think specifying to that degree would not be productive. If you look at the rest of them it doesn't give any details And this allows different interpretations of what it means which does make room for flexibility which could be a concern but I would say leaving it as it is beneficial to allow for different room setups and numbered environments. It'd be beneficial to leave it as it currently is
 - j. Senator Anukwuocha states
 - i. My plan is just to put in a closing ceremony that is like the procession of the speaker and just a formality for the opening and closing of each meeting.
 - k. Chairperson Anastopoulos
 - i. So it does not require any segments and just pretty much just says we are adjourned.
 - l. Senator Anukwuocha
 - i. I have witnessed other meetings and have seen these ceremonies performed. These ceremonies makes meetings more professional.
 - m. Senator Rosales
 - i. I was thinking that these ceremonies be opened so that we can say we have them. If you guys want to work on this, I think it is smart that we motion to table this to fix these details.
 - n. Sergeant-At-Arms Bereolos calls a Point of Order
 - o. Sergeant-At-Arms Bereolos states
 - i. You are required to wear business casual appropriate clothing to meetings.
 - p. The motion is passed and the resolution is tabled
- B. SR55028
 - a. Sergeant-At-Arms Bereolos makes a motion to hear SR55028
 - b. Chairperson Musgraves seconded
 - i. Similar to last one, this just is what it points to in the manual and points to. This just gives order to what the opening ceremony points to and gives an item I to the schedule. It goes over what our agenda will look like. This also includes land acknowledgement. Based on the last piece, I move to table this as well.
 - c. Deputy Speaker English makes a motion to table SR55031
 - d. Sergeant-At-Arms Bereolos seconded
 - e. There is no discussion or debate
 - f. The motion is passed and the resolution is tabled

C. SR55031

- a. Deputy Speaker English makes a motion to hear SR 55031
- b. Sergeant-At-Arms Bereolos seconded
- c. Deputy Speaker English states

- b. Chairperson Musgraves seconded
- c. Director of Academic Affairs Joshi is recognized
- d. Director of Academic Affairs Joshi states
 - i. First of all, I do really appreciate the leadership team and their organization. My name is Kavya Joshi. I am a sophomore majoring in Omiss and minor in finance I'm pretty much involved with the campus such as Women in Business LEAD, Student Finance Advisory Board and more. I am pretty involved with the library. I work there and the public center as well as the Rec center as well. In terms of my goals, stepping into this role has a typical exchange to the standards in the terms of education. There are some goals that I want to highlight such as implementing and developing the academic progress here at NIU such as the honors program, the CHANCE program, and more. I'm implementing new strategies such as working more on the suitable app also feedback surveys and also developing more research and feedback to students here on campus therefore I am honored to be up here going up as Director Of Academic Affairs. Thank you.
- e. Speaker Hensley asks if there are any questions for Director of Academic Affairs Joshi
- f. Sergeant-At-Arms Bereolos states
 - i. How did you hear about this position?
- g. Director of Academic Affairs Joshi states
 - i. I heard about it through someone I knew from Northern Star.
- h. Senator Anukwuocha states

- i. What is your relationship with Olivia and what kind of communication do you have with the President?
 - i. Director of Academic Affairs Joshi states
 - i. I will try to keep a relationship with the president if elected
 - j. Sergeant-At-Arms Bereolos states
 - i. With your schedule as a student, will you have enough time to fulfill this role
 - k. Director of Academic Affairs Joshi states
 - i. Yes
 - l. Chairperson Musgraves states
 - i. Are you part of any other organizations on campus?
 - m. Director of Academic Affairs Joshi states
 - i. Women in business, but mostly business groups
 - n. Chairperson Musgraves states
 - i. I like that she is only a sophomore trying to take on a new position. She already is in the Women in Business organization that they do already a lot on campus and I support this candidate
 - o. This resolution passes with 13 yays, 0 nays, and 0 abstentions
- E. SB55012
 - a. Sergeant-At-Arms Bereolos makes a motion to hear SB55012
 - b. Senator Guererro seconded
 - c. Clerk Corpuz states
 - i. So this piece is one of the things I worked on over break and mainly focuses on how the procedure is for disciplinary action for anybody in SGA it just clarifies what constitutes a verbal warning, a written warning is, and a suspension basically. I'm happy to take any questions about it.
 - d. There is no discussion or debate
 - e. This resolution passes with a vote count of 13 yays, 0 nays, and 0 abstentions.
- F. SB55013
 - a. Senator Guererro makes a motion to hear SB55013.
 - b. Senator Robinson seconded.
 - c. Clerk Corpuz states
 - i. This piece is also what I worked on over break. On behalf of Deputy Speaker English , this piece allows the Deputy Speaker to speak on behalf of SGA and not just rely on the speaker.

- d. Discussion
 - e. Senator Robinson states
 - i. I would like a point of clarification if the Deputy Speaker will speak on behalf of all of SGA and is it just in the event of the absence of the Speaker?
 - f. Deputy Speaker English states
 - i. It is only the legislative branch and at the discretion of the Speaker
 - g. Senator Rosales calls the question
 - h. Clerk Corpuz seconded
 - i. The motion passes and there is a vote
 - j. This resolution passes with a vote count of 11 yays, 1 nay, and 1 abstention.
- G. SR55034
- a. Deputy Speaker English makes a motion to hear SR55034
 - b. Senator Guererro seconded
 - c. Clerk Corpuz states
 - i. So I was working on this with Senator Khanjian last semester. Basically the written description of the Public Affairs Committee seemed very vague and had pieces that do not exist anymore like Director of Cultural Affairs. This just clarifies what the description is for Public Affairs. I will be doing this for all the other committees as well later on.
 - d. Deputy Speaker English states
 - i. One question I had was what the Director of Cultural Affairs and their description and responsibilities. Would that be covered down below after?
 - e. Clerk Corpuz states
 - i. I was under the assumption since Cultural Affairs was absorbed by DEI. I was going to put that with DEI's mission instead
 - f. There is a vote.
 - g. This resolution passes with 12 yays, 1 nay, and 0 abstentions.
