ENROLLED SENATE BILL 57002

Fifty–Seventh Session

Summary: A bill to add language for new fraternity & sorority student organization recognition process.

Legislation:

WHEREAS, under the present process on how students can create a new student organization on Northern Illinois University’s campus, that is recognized by Student Government Association, there is no dedicate process for fraternities or sororities; and

WHEREAS, such fraternity and sorority organizations have unique procedures that they must adhere to set by the Office Fraternity & Sorority Life, or FSL, of Northern Illinois University; and

WHEREAS, there may be circumstances that the Office of Fraternity & Sorority Life cannot allow such chapters to be present at NIU but are recognized by the SGA, which can create an inconsistency in the policies that the university and Student Involvement seek to uphold; and

WHEREAS, this change provides language for the policy of creating a new fraternity & sorority student organization that falls under the Office of Fraternity and Sorority Life, while ensuring such policy is efficient and less time consuming for their recognition from SGA, given FSL provides approval first; and

WHEREAS, Part I, Article II, §1.B of the Student Government Association Bylaws states that, “The Senate shall have the power to create and amend the SGA Bylaws”,

THEREFORE, the students of Northern Illinois University represented in this Senate resolve the SGA Bylaws be amended as follows:

**ARTICLE IV
PROCEDURE FOR RECOGNITION**

The SGA shall outline an orderly process to assist organizations in obtaining recognition and prevent false or inappropriate groups from receiving recognition. The Vice President, together with the Organization Oversight Committee is charged with overseeing the recognition process. The recognition process consists of the following steps listed below.

- A. Recognition specifically for fraternity & sorority student organizations must first contact the Office of Fraternity & Sorority Life (FSL) of Northern Illinois University to begin and complete the process for approval at Northern Illinois University.
 1. Upon the completion of FSL expansion procedures, reviews, and approval, a memo will be sent to the SGA Vice President and/or the Director of Organization Development and Chairperson of Organization Oversight Committee of a fraternity & sorority student organization recognized by FSL. Upon receiving the memo, SGA will automatically grant recognition without any further action. The approval of an organization by FSL can be shared to the Senate by the Vice President, Director of Organization Development, or Chairperson of Organization Oversight Committee in their report.
 2. FSL will ensure compliance of SGA required mandates for student organizations prior to the memo being sent.

- B. Recognition Form: All groups seeking recognition must complete an Organization Registration Form on NIU's Student Organization Platform that consists of the following:
1. Organization Description: for use by all new organizations as well as returning organizations that wish to change their description.
 2. Organization Officers: for use at the beginning of each academic year any time an officer or faculty advisor changes during the academic year and during Mid-Year Transition.
 3. Faculty/Staff Advisor Agreement: for use when starting an organization and at any time the faculty advisor changes during the following school year.
 4. Governing Documents: including the organization's constitution, bylaws, and national constitution (if applicable).

C. Office of the President Review

1. The Vice President or Director of Organizational Development shall collect all necessary recognition forms, documents, and other materials that pertain to the new student organization.
2. The Vice President or Director of Organizational Development shall take a review of all the materials to ensure that everything required by Student Government Association is met. Upon satisfaction to either party, the Vice President or Director of Organizational Development will submit the organization to the Organization Oversight Committee.

D. Organization Oversight Committee Review

The Organization Oversight Committee will meet with the leader(s) of the organization, review its constitution, and make a recommendation to approve or reject the organization for full SGA Senate approval. The Organization Oversight Committee will also determine the classification of the organization if approved. The Organizational Oversight Committee can motion to move an organization out of approval should further review and discussion be needed on a specific organization, otherwise be granted full recognition by committee members. The Chairperson of the Organization Oversight Committee will notify each organization as well as the Treasurer of the SGA of the organization's full recognition as well as the organization's designated classification being granted after approval in the Organization Oversight Committee meeting. Committee members must disclose any current or previous involvement in organizations requesting recognition. Furthermore, individuals currently serving in organizations requesting recognition must abstain from voting on the consideration of that organization's recognition. Recommendation of recognition of an organization can be made without a meeting with the leaders of the organization only following approval from both the organization and the Organization Oversight Committee.

E. Senate Notification

Upon notification from the Organization Oversight Committee, the Chairperson of Organizational Oversight Committee must state the organization for which was approved during the committee. The Senate shall be empowered to compel the Chairperson to notify of any organization approvals if after two (2) weeks they have failed to do so at a Senate meeting. The Chairperson's failure to notify the Senate does not impact the full recognition of the new student organization in any way. The Chairperson of the Organization Oversight Committee will notify each organization as well as the treasurer of the SGA of the organization's full recognition as well as the organization's designated classification.

F. Reapplication Following Rejection

Any organization that has been rejected by the Organization Oversight Committee for approval must wait at least one (1) full calendar year from the date of rejection to reapply for recognition. In cases where an organization has lost recognition due to violations of Student Government Association policy and/or Student Code of Conduct and/or has shown a pattern of such behavior, the university may advise on the waiting period for reapplication.

G. Recognition After Cease of Existence

If a recognized student organization either voluntarily or involuntarily disbands or ceases to exist on

campus in an official capacity for longer than one academic year the organization must go through the recognition process again.

This legislation is ordered to take effect immediately.

The SGA Finance Committee will decide based on the submitted budget requests submitted to the committee. The SGA Treasurer or delegate assigned by the Treasurer may reach out to the student organization for more information before a final decision is made. The SGA

Treasurer or delegate must make two (2) written attempts to contact the student organization for information before deciding based on the submitted materials.

Section 9

Notification and Distribution of Budget Allocation

The SGA Treasurer must notify the President, Treasurer, and NIU Advisor of each student organization requesting SGA Annual Funding within two (2) weeks of the final approval of the annual budget by the Senate; how much, if any, of their budget was approved by the SGA Senate; as well as the breakdown of which line items are funded for the next fiscal year. All notifications to Student organizations will be done via the SGA email. However, it is important to note that allocations are based on the Student Activity Fee and budgets allocation amount may be changed if collected fees are significantly different than projections indicate. Final budget notification will come from the SGA Office in August. All allocations will be placed in the organization's university cost center in two distributions, the first being in the fall semester and the second being in the spring semester.

This legislation is ordered to take effect immediately.
